Singing a Pooh Song

Use attachment, **Sing Ho!** to enjoy a fun Pooh song as a class. Read the song in a round or break it into parts for different groups to read.

North Pole

Before you begin the story, ask your students to identify everything they know about the North Pole. Write everything down on chart paper. Ask children if they were planning an expedition to the North Pole, what they think they might need. As you begin to read, alert children to note anything special or unique about Christopher Robin's expedition. Following the story, discuss the differences between Christopher Robin's expedition and the one you planned as a class.

Sing Ho!

Sing Ho! for the life of a Bear!
Sing Ho! for the life of a Bear!
I don't much mind if it rains or snows,
'Cos I've got a lot of honey on my nice
new nose,
I don't much care if it snows or thaws,
'Cos I've got a lot of honey on my nice
clean paws!
Sing Ho! for a Bear!
Sing Ho! for a Pooh!
And I'll have a little something in an hour
Or two!
